Parking

Parking in Berkeley can be expensive. We recommend taking alternate transportation (Downtown Berkeley BART Station is less than a mile away) or carpooling. If you are **interested in carpooling**, please **email us at least 10 days before the start date** so we can help you connect with someone. After 6pm on Fridays and Saturdays, street parking is free but it might be difficult to find a spot. Street parking is free all day Sunday. Please arrive early to give yourself plenty of time to find a spot.

- Hotel Durant is offering us a discount for the Underhill lot on Channing and College for \$4 a day (normally \$10)
- All day parking is available at a parking lot on the corner of Bancroft and Bowditch for \$11 a day. They close at 7pm, so please don't use this lot on Friday evening since the training gets out at 9pm.
